Regional Centre for Urban & Environmental Studies (RCUES) Lucknow is one of premiere Centres in the country in the field of Urban Management. It was established by the Ministry of Urban Development, Government of India at University of Lucknow in the year 1968. The Centre provides expertise, advisory services & consultancy services to urban local bodies and parastatals.

Vision

To help urban local governments in achieving sustainable Urban Development through a holistic approach.

Mission

Building Capacities Of City Managers For Achieving Good Urban Governance.

Target Group

The RCUES provides training and consultancy services to functionaries of Urban Local Bodies which includes the Executives and Elected Representatives and Officials of Parastatals.

Major Activities

The key activities of the Centre include Training, Capacity Building, Research, Consultancy Services and Dissemination of Information relating to the Urban Sector.

Resources

The RCUES has a core team of qualified and experienced faculty and researchers. Program based dedicated cells are also created from time to time. Expert team comprising of trainers on Social Development, Urban Planning, Municipal Finance, Livelihood Development, GIS/MIS are created from time to time to cater the needs of various programs organized under the auspices of the Ministry of Housing & Urban Poverty Alleviation.

Funding

The RCUES receives regular financial support in the form of non-plan grants-in –aid from the Ministry of Urban Development, Government of India. The state government of Uttar Pradesh, a major beneficiary, also gives regular non-plan grant. The other constituent States also extend help occasionally.

The RCUES is managed by three high level committees.

PREFACE

Shri S. B. Nimse,
Vice Chancellor,
Lucknow University &
Chairman,
Governing Council
RCUES Lucknow

Regional Centre for Urban and Environmental Studies was created with an aim to boost the implementation of Urban policies by the Ministry of Urban Development. Keeping in view the liberalization of economy, rapid economic growth, devolution of funds and functions to Panchayat and Urban Local Body level, enhanced transparency, globalization etc., the Regional Centre continues to play a vital role in nurturing the Human Resource in the urban municipal sector.

The year round activity of RCUES Lucknow includes an exhaustive preparation of Training Plans at Regional, State and City levels which are approved by the Ministry of Urban Development and the Ministry of Housing and Urban Poverty Alleviation for officials under its cadre. This report comprises of the detailed plan and its implementation for the year 2015-16 encompassing training needs of all grades of officials/ officers which, inter alia, provides for nomination of officials for the training programmes being conducted by the Centre. The core team of RCUES Lucknow also engages in preparation of training material, Research projects, conferences, symposiums as well as conducting in-house training courses.

I'm delighted to share that RCUES Lucknow has been designated as Resource Partner by the Dept. of Urban Development, Govt. of Uttar Pradesh under the SMART CITY Mission, Swachh Bharat Mission, Housing for All- Urban, HRIDAY and AMRUT for the State of Uttar Pradesh. Individual capacity building for ULB functionaries under AMRUT and SMART Cities Mission has already begun Bby RCUES Lucknow as the empaneled training entity by MoUD, GoI.

I appreciate the efforts made by team RCUES as also by associated members in preparation of the said training plan.

Prof. S. B. Nimse

Dr. Nishith Rai
Director,
RCUES Lucknow

Dear Readers,

This Report of the Regional Centre for Urban and Environmental Studies, Lucknow pertains to the year 2015-2016. The Centre undertakes research studies on substantive and contemporary issues as well as in specific areas as sponsored by the governments, national organisations and international agencies. It also offers advisory services in operational areas to the government and public sector enterprises. Besides, it conducts a large number of training programmes on various aspects and facets of the study and practice of urban development, administration and management. It also publishes and disseminates literature on urban development including journals. The Report presents the activities of the Centre under the following major heads:

- Training
- Dissemination of Information related to Urban Development Sector
- Associational and Outreach Activities.

Besides, the Report includes information about the:

- Centre's Finances
- Academic Events like Seminars, Conferences, Lectures, Visits, etc.
- Academic Activities of Faculty
- Administrative and Personnel Matters.

Year 2015-16 has been a year of extreme work output by the RCUES team. Various initiatives have been taken in the field of capacity building activities as well as Outreach activities by the Centre.

Dr. Nishith Rai

Clean U.P.—Green U.P. Programme

Uttar Pradesh government launched Clean U.P.—Green U.P. Programme and announced awards for the cleanest municipal wards of Lucknow, Agra, Kanpur and Mathura. Regional Centre was entrusted with the responsibility of evaluating the process of cleanliness in the wards based on the parameters set by the state government.

Academic Activities

These awards have been launched to promote Clean U.P.—Green U.P. initiative of the state government. Top 18 wards from Lucknow, Kanpur and Agra & nine wards of Mathura were shortlisted by the ULBs who were subjected to evaluation. As per the guidelines of the State Government the winner from Lucknow, Kanpur and Agra would get a cash award of Rs 50 lakh as first prize, while the second award of Rs 30 lakh will be given to two wards and the third prize of Rs 20 lakh will be given to three wards. However, in Mathura only three awards of cash value Rs 50 lakh as first prize, Rs 30 lakh as second prize and Rs 20 lakh as third prize for each position will be given. Prize money would be distributed equally amongst the sanitation staff, gardeners and ward boys without discriminating between permanent, temporary, contractual and outsourced staffers.

The evaluation process was carried out by RCUES Lucknow based on the information secured from the wards and a ground zero inspection. The report submitted by the Regional Centre also incorporated the suggestions regarding further improvement of the cleanliness process in various wards.

The evaluation activity was conducted in the month of September to October which was coordinated by Dr. Rajeev Narayan, Deputy Director, RCUES Lucknow along with active support of Dr. Anjuli Mishra, Joint Director and Dr. A K Singh, Assistant Director, RCUES, Lucknow.

State Level Workshop on Engendering Budgets and Gender Inclusive Urban Development sponsored by Ministry of Women & Child Development, Govt. of India

The Regional Centre for Urban & Environmental Studies, Lucknow organized three day state level workshop on Engendering Budgets and Gender Inclusive Urban Development” for the officials of Urban Local Bodies of Jharkhand state at Ranchi on 21st – 23rd January, 2016. The main objectives of the workshop were to discuss the rationale of the gender budgeting as a tool for women's empowerment and also to discuss strategic framework of gender budgeting activities; to examine the policy initiatives, programmes, schemes and projects for gender mainstreaming and gender inclusive urban development in India; to discuss the tools of gender budgeting at state level and also share experiences of different states; to examine the problems, constraints and difficulties in gender budgeting at different levels were also discussed along with the role of various stakeholders and key players in gender budgeting. Shri Amit Kumar, Director, Municipal Administration, Department of Urban Development and Housing, Government of Jharkhand inaugurated the workshop. Ms. Rashmi Singh, Former Executive Director, NMEW, RMK, MWCD, Govt. of India was also present on the occasion of the inauguration of the programme. Overall, Sixty one participants attended the workshop including Executive Officers, City Managers, City Mission Managers, Urban Planners and other officials of ULBs and other parastatal agencies. The programme was coordinated by Dr. A. K. Singh and Dr. Nasruddin, Assistant Directors, RCUES, Lucknow.

Mr. Gajanand Ram, Chief Town Planner, Department of Urban Development and Housing, Government of Jharkhand addressing the participants during the workshop

विकास कार्यों के लिए अधिकारियों में हो दीवानगी : एसपी सिंह

लखनऊ (डीएनएन)। उत्तर प्रदेश में विकास कार्यों के लिए अधिकारियों में दीवानापन होना चाहिए। स्मार्ट सिटी शहर की पहचान बिगाड़ कर नहीं बन सकती। 24 घंटे बिजली, पानी, बेहतर सड़क या रिहायशी

● सक्रिय रहने पर यूपी को इन योजनाओं से होगा बेहतर लाभ : डॉ. निशीथ राय

कांफ्लेक्स भी स्मार्ट सिटी का मूल उद्देश्य नहीं है। स्मार्ट सिटी का मतलब है ऐसा विकास जहां धरती सांस लेने वाली बनी रहे। उर्जा और पर्यावरण का संरक्षण हो, शुद्ध पेयजल, बेहतर कूड़े का निस्तारण और लोगों

को उच्च गुणवत्ता की जीवनशैली मुहैया कराई जा सके। यह बात राजधानी में केंद्रीय शहरी विकास मंत्रालय की लागू हुई चार विकास योजनाओं पर राज्य स्तरीय परामर्शी कार्यशाला व प्रस्तुतिकरण में विषय विशेषज्ञों ने कही।

● चार केंद्रीय विकास योजनाओं की राज्य स्तरीय कार्यशाला में जुटे प्रदेश भर की निकायों के प्रतिनिधि

केंद्रीय शहरी विकास मंत्रालय से संबद्ध क्षेत्रीय नगर एवं पर्यावरण अध्ययन केंद्र (आरसीयूईएस) के संयोजन में उप्र आवास

यूपी के शहरों ने सीखा स्मार्टनेस का गुर

LUCKNOW (31 July, inext): यूपी के सभी शहरों ने फ्राइडे को स्मार्ट बनने के गुर सीखे। इसके तहत केंद्र सरकार की योजनाओं को रफ्तार देने और उनके इंप्लीमेंटेशन के लिए शुक्रवार को लखनऊ में एक एडवाइजरी वर्कशॉप का आयोजन किया गया। सेमिनार में प्रदेश के निगमों के प्रमुख और नगर आयुक्तों ने हिस्सा लिया। आवास विकास विभाग में आयोजित वर्कशॉप में केंद्र सरकार की योजनाओं स्वच्छ भारत मिशन योजना, स्मार्ट सिटी मिशन, अटल नवीकरण और शहरी परिवर्तन मिशन और प्रधानमंत्री आवास योजना के बारे में प्रजेंटेशन दिया गया। वर्कशॉप की शुरुआत स्मार्ट सिटी के प्रजेंटेशन के साथ हुई। स्मार्ट सिटी मिशन के बारे

में केंद्र सरकार के स्पेशलिस्ट और केंद्रीय शहरी विकास मंत्रालय के डायरेक्टर शिवपाल सिंह ने स्मार्ट सिटी के हर पहलू के बारे में बताया। किस तरह स्मार्ट सिटी का चयन होगा? चयन की प्रक्रिया क्या है? पैसे कैसे मिलेंगे? किन बुनियादी चीजों पर पहले काम होगा। इसकी जानकारी प्रजेंटेशन से शिवपाल सिंह ने दी। पांच साल में 100 स्मार्ट सिटी बनाने की योजना है। पहले साल 20 और फिर चार सालों में भी 20-20 स्मार्ट सिटीज सेलेक्ट होंगे। आस्ट्रेलिया की क्वींस लैंड युनिवर्सिटी ऑफ टेक्नोलॉजी के डायरेक्टर डॉ. शील नूना ने भी प्रजेंटेशन दिया।

महानगरों के बीच छोटे स्मार्ट शहर बसेंगे

स्मार्ट सिटी के लिए चुने गए शहरों में बनेंगी तीन तरह की टाउनशिप

■ प्रमुख संवाददाता, लखनऊ

महानगरों के बीच कई छोटे-छोटे शहर बसाकर उन्हें स्मार्ट बनाया जाएगा। स्मार्ट सिटी के लिए चुने गए शहरों में प्लानिंग के तहत तीन तरह की टाउनशिप बनाए जाने की योजना है। शहर के बाहरी इलाकों में पूरी तरह नई टाउनशिप विकसित की जाएंगी। वहीं पुराने इलाकों में परंपरागत ढांचे को संजोते हुए उन्हें स्मार्ट बनाया जाएगा। वहीं स्लम एरिया को भी नई आधुनिक टाउनशिप के तौर पर विकसित किया जाएगा।

शहरी विकास के लिए केंद्र की नई योजनाओं पर हुई राज्य स्तरीय कार्यशाला में शुक्रवार को स्मार्ट सिटी के बारे में ऐसे ही कई महत्वपूर्ण बातें दी गईं। प्रदेश भर के नगर आयुक्तों और नगर निकायों व जल संस्थानों के अफसर इस कार्यशाला में शामिल हुए। केंद्रीय शहरी विकास मंत्रालय के निदेशक शिवपाल सिंह ने स्मार्ट सिटी पर नगर निकाय अफसरों के सवाल-जवाब भी दिए। नगर विकास सचिव एसपी सिंह और अन्य विशेषज्ञों ने भी जिज्ञासाओं का समाधान किया। उन्होंने बताया कि स्मार्ट सिटी योजना 2019-20 तक पूरी होनी है और देश में 100 शहर चुने जाएंगे। इनमें 13 शहर यूपी के भी चुने जाएंगे।

राज्य स्तरीय कार्यशाला में शुक्रवार को स्मार्ट सिटी के बारे में कई महत्वपूर्ण बातें दी गईं।

ऐसे स्मार्ट बनेंगे शहर

ग्रीनफील्ड

विशेषज्ञों ने बताया कि स्मार्ट सिटी में 'ग्रीनफील्ड' कम से कम 250 एकड़ जगह चाहिए। इसमें नए सिरे से प्लानिंग के साथ शहरों को बसाया जा सकता है। ऐसे रहने के बाहरी इलाकों में जहां ज्यादा महान नहीं बने हैं, उन्हें ग्रीनफील्ड के लिए चुना जा सकता है। इससे कम इमारतें लेनी पड़ेंगी और नए सिरे से इस खान सिटी बसा सकते हैं।

रेट्रोफिटिंग

'रेट्रोफिटिंग' के लिए कम से कम 500 एकड़ का इलाका चुनना होगा। इसमें शहर के बीच में ही उस इलाके को स्मार्ट बनाया है। पुरानी ऐतिहासिक इमारतों को संभालते हुए उसे नया स्वरूप देना होगा। इसके अलावा जो निगम अवैध हैं और गिरने के लिए जा रही हैं, उन्हें गिरा-उठाना होगा।

'अमृत' में पूरे होंगे JN-NURM के अधूरे काम

जवाहर लाल नेहरू राष्ट्रीय शहरी नवीनीकरण मिशन (जेएनएनएम) के अधूरे काम अब रूकेंगे नहीं। वे अटल मिशन फॉर निवेशन एंड अर्बन ट्रांसफॉर्मेशन 'अमृत' के तहत पूरे हो सकेंगे। शिवपाल सिंह ने कहा कि 2012 से पहले के वे काम इसमें शामिल किए जा सकेंगे, जो 50 फीसदी से ज्यादा पूरे हो चुके हों। उसके बाद के सभी काम तो बचे रहें हैं, उन्हें इस मिशन में शामिल किया जा सकता है। इसकी लागत 50,000 करोड़ आंकी गई है। देश के 500 शहरों को शामिल किया गया है।

चार चरणों में सबके लिए आवास

सबके लिए आवास योजना चार चरणों में पूरी होगी। इसमें 500 क्लास-1 शहरों में सबको आवास देने का लक्ष्य रखा गया है। वहीं कार्यशाला में जलसंस्थान के प्रतिनिधियों की भूमिकाओं पर नगर विकास सचिव एसपी सिंह भड़क उठे।

री-डिजेलपमेंट

इसमें हमें पुराने ढांचे को हटाकर विकसित करना है। विशेषज्ञों ने बताया कि स्लम एरिया और अन्य ऐसी बस्तियां जहां के लोग खुद पैदा हो गए हैं, री-डिजेलपमेंट करना होगा। इसके लिए आम लोगों को तैयार करना नगर निगमों का काम होगा। स्लम में ज्यादा दूषित नहीं आनी चाहिए। उसके बदले हम उन्हें फ्लैट दे सकते हैं। आधे में फ्लैट बनवाए जा सकते हैं। बाकी निजी पार्टनर को जमीन दी जा सकती है।

ऐसे होगी फंडिंग

भारत सरकार की गाइडलाइन के मुताबिक केंद्र और राज्य का हिस्सा बराबर होगा। दोनों का हिस्सा मिलाकर 50 प्रतिशत से ज्यादा होगा। बड़े 30-30 प्रतिशत केंद्र और राज्य देते हैं तो बाकी 40 प्रतिशत संसाधन नगर निकायों को अपने स्तर से या निजी सहभागिता से जुटाने होंगे। निजी सहभागिता में सरकार को भी प्रयास करने होंगे। पहले चरण में चुने गए शहरों के प्रस्ताव मांगे गए हैं।

स्वच्छता मिशन पर कार्यशाला का आयोजन

लखनऊ, 31 जुलाई। 2 अक्टूबर को स्वच्छ भारत मिशन योजना तथा 25 जून को शहरी विकास मंत्रालय, भारत सरकार द्वारा नगरों की अवस्थापना सुविधाएँ विकसित किये जाने के उद्देश्य से स्मार्ट सिटी मिशन, अटल नवीकरण और शहरी परिवर्तन मिशन प्रधानमंत्री आवास योजना (नगरीय) (सबके लिए आवास योजना) दिनांक 26 जून, 2015 को प्रारम्भ की गयी। इन योजनाओं के संबंध में प्रदेश के नगरीय निकायों के अधिकारियों हेतु योजना की विस्तृत गाईडलाइन्स का प्रस्तुतीकरण तथा परिचर्चा के लिए एक दिवसीय राज्य स्तरीय परामर्शी कार्यशाला का आयोजन नगर विकास विभाग, नगरीय निकाय निदेशालय एवं जल निगम के सहयोग से क्षेत्रीय नगर एवं पर्यावरण अध्ययन केंद्र (आरसीयूईएस) द्वारा लखनऊ में

किया गया। इस कार्यशाला का शुभारम्भ एस0पी0 सिंह, सचिव, नगर विकास विभाग, उत्तर प्रदेश सरकार द्वारा किया गया तथा कार्यशाला में भारत सरकार के प्रतिनिधि शिवपाल सिंह, निदेशक शहरी विकास मंत्रालय, भारत सरकार एवं मंत्रालय के दो तकनीकी विशेषज्ञ हर्षवर्धन शर्मा एवं मेहताब आलम नगरीय निकाय निदेशालय के निदेशक ए0 के0 सिंह, राज्य शहरी विकास अभिकरण के निदेशक एस0के0 सिंह व प्रदेश भर से आये नगर निगमों, नगर पालिका परिषदों के नगर आयुक्त सम्मिलित थे। कार्यशाला में डा0 निशीथ राय, निदेशक क्षेत्रीय नगर एवं पर्यावरण अध्ययन केंद्र, लखनऊ द्वारा इस कार्यशाला की उपयोगिता एवं महत्ता पर विस्तृत रूप से प्रकाश डाला गया तथा अवगत कराया गया कि उक्त योजनाओं के अन्तर्गत उत्तर प्रदेश

राज्य एक बड़ा प्रदेश होने के कारण यदि सक्रिय रहता है तो नगरीय निकाय अधिक धनराशि इस योजना के अन्तर्गत प्राप्त कर सकते हैं, जिससे कि नगरीय निकायों की अवस्थापना सुविधाओं में गति आ सकेगी। कार्यशाला के प्रारम्भ में स्मार्ट सिटी मिशन का प्रस्तुतीकरण भारत सरकार के विशेषज्ञ शिवपाल सिंह, निदेशक, शहरी विकास मंत्रालय, भारत सरकार द्वारा किया गया। तत्पश्चात अटल नवीकरण और शहरी परिवर्तन मिशन का प्रस्तुतीकरण हर्षवर्धन शर्मा, तकनीकी सलाहकार, शहरी विकास मंत्रालय, भारत सरकार द्वारा किया गया तथा सबके लिए आवास योजना का प्रस्तुतीकरण शैलेन्द्र कुमार सिंह, निदेशक, सूडा द्वारा किया गया। स्वच्छ भारत मिशन का प्रस्तुतीकरण डा0 राजीव नारायण, उप निदेशक, आरसीयूईएस द्वारा किया गया।
